Yesterday's Courier-Journal had of ficial returns from 113 counties. In two counties—Jefferson and Harrison—the count has not been completed. The result of the count in Knott, Letcher, Pike and Floyd is unknown. So far as reported, on official returns for 113 counties and unofficial returns for the rest, Mr. Goebel has a plurality of 1,637 of the uncounted votes. Of the counted votes, there is a net plurality of 1,611 for Taylor. Counts are pending in Nelson, Knox, Johnson, Christian, Mercer and Pulaski counties involving pluralities of 4,277. The Courier-Journal this morning again presents the figures to date, showing the precise situation in the State. The Republicans are still claiming a plurality of about 3,000, but they are losing their air of confidence.

The Tammany ticket in New York by majorities ranging from 35,000 to 60,000.

Notwithstanding, the city has heretofore been strongly Republican, San Francisco, Cal., gave a Democratic majority of 6,000 in the municipal election.

It is claimed that more money was spent by the Republicans in Ohio, during the campaign just closed, than they spent in the State during the last Presidential campaign, and yet Nash held 50,000 short of a majority of the total vote cast.

Mr. H. F. FRYMOUR, editor of the Manila American, who is now in Washington, said of Gen. Otis: "I personally know that he has not been at the firing line." The sentiment in the United States much stronger than I had any idea it could be."

The most excited, dead and damned man in the State is Senator John Young Brown. Words fail to give full expression to the contempt all honest men feel for those who have been made what they are by Democracy. turn, when they find they can get to more out of it, to be its bitterest foes. Let all such be anathema marthan.—Interior Journal.

The Book Trust made a special effort to defeat Hon. Morgan Chinn, of Mercer, for re-election because he was the author of the Chinn Book Bill. They succeeded, but he will have his reward. As soon as the bill which bears his name becomes a law he will be made President of the Kentucky School Commission, and what he will do to them will be aplenty.—Glasgow News.

"Goebel is elected," said an enthusiastic Democratic today yesterday, "it will be the grandest victory ever recorded." The combination of so-called Democrats, Republicans and what-ers, fighting in the underhanded way they did, could have almost beat Jesus Christ." And then she bit hard for having put it so strong, though not a bit too strong, we tell her.—Interior Journal.

UNITED STATES SENATOR Wm. E. MASON, of Illinois, a life-long Republican, has publicly announced that he will fight McKinley's Philippine policy during the coming session of Congress and he further says his party has not had a chance to speak on the subject, but if when it meets in 1900 it should declare in favor of such a policy he will resign his seat in the Senate, because he could no longer represent the party and the constituency which made him Senator, and the honest and decent thing for him to do would be to resign.

Why Your  
Carpet Interests  
Center Here.

Making assertions is one thing—proving them is another.

The living proof of what we are going to say prompts us to say it—every time.

We are the heaviest buyers of carpets in Central Kentucky. Our stock will dwarf the holdings of any competitor at any time in the year.

We establish the lowest retail prices at the beginning of the season—and maintain them. We follow the style changes—the newest patterns always come to light first in this store.

We are directly associated with some mills, yet we buy from all mills that produce standard goods.

The proof of all we say is as plain to those we serve as it is to us.

Notes.—Ballots ran out in Biggestaff and Democrat lost about 19 votes thereby.

Hon. W. J. BRYAN Saturday evening gave to the press an extended statement, summing up the results of the elections in the different States. On the Kentucky election he says:

"The result does not give any encouragement to the Republicans. The latest returns show the contest between Goebel and Taylor is very close. The Democrats claim the election of Goebel and the entire State ticket by small pluralities. The Legislature is safely Democratic in both branches, and the election of Blackburn to succeed Lindsay is assured. No one who has watched the contest will doubt that the Democracy will unite on national issues. Kentucky can be depended upon for a majority of 20,000 or 30,000 in 1900.

## RESULTS ELSEWHERE.

Elections occurred in 12 States on the 7th instant, namely, Ohio, Pennsylvania, Iowa, Massachusetts, New Jersey, New York, Kentucky, Maryland, Virginia, South Dakota and Nebraska.

New York and New Jersey elected Republican Legislatures.

W. Murray Crane, Republican, was elected Governor of Massachusetts, and Leslie M. Shaw was elected Governor of Iowa.

In Pennsylvania the Republicans elected a State Treasurer and Judge of the Superior court, and the Democrats elected H. D. Greene in the Ninth district to fill the vacancy caused by the death of Congressman D. M. Emment.

In Mississippi A. H. Longino, Democrat, was elected Governor.

Virginia elected a Democratic Legislature.

In South Dakota the Fusionists are reported to have elected their candidate to the Supreme court.

In Ohio, George K. Nash, Republican, received a plurality of the votes, and was elected Governor, but fell 50,000 short of a majority of the total vote cast.

RYMEL.—To the wife of J. W. Rymel, Wednesday last, a 10 pounds girl.

BAKER.—Tuesday, November 7, to the wife of J. G. Baker, of Baldwin, this county, a girl.

Fire on the Summit.

The alarm of fire Friday morning was sent in from Mr. J. A. Liff's residence on the Summit. The house was discovered to be on fire by the roomers being filled with smoke. It was some time before the fire could be located, but finally it could be seen that it was between the weather-boarding and the ceiling, whereupon the fire department was called.

It is supposed the fire originated from a painter's lamp, a spark from which had found its way under the weather-boarding and there smoldered for several hours without detection. The damage was slight.

## Election Commissioners Meet.

The Madison County Election Commissioners, Messrs. John B. Chenault, P. S. Simeaux and Walter Bennett, met in the county clerk's office Friday to canvass the vote of last Tuesday's election.

Mr. Taylor, 93; Miller, 72; Harris 54. The certificates of election were then awarded to Messrs. Miller and Harris.
